8 x 10 \$2625

OPTIONS:

Insulated Metal Roof: \$3 per Square Foot

For larger wood sheds, take the price of a run-in and add \$1.12 per square foot for a regular pressure treated floor or \$1.88 per square foot for the 5/4 pressure treated decking.

For the pressure treated floor joists 12" on center, add \$.30 per square foot.

There is a credit of \$.42 per square foot for no kick board.
